

Questionnaire

Seminars / Workshops 2010

We would like to accommodate your needs!

In regular intervals we offer our customers seminars and workshops about current issues. The topics are selected primarily according to the newest products and the respective customer attention.

Your completing this questionnaire will allow us to give more specific consideration to your requirements. Thank you.

I am interested in workshops / seminars about the following topics:

- Wireless
- WAVECOM
- RENESAS R32C
- RENESAS M16C + CMEL OLED
- FUJITSU 16FX
- MITSUBISHI IGBT-IPM
- TOSHIBA ARM@9
- TOSHIBA Cortex™ M 3
- others _____

Please include me in your newsletter mailing list:

* monthly newsletter containing current topics at GLYN Academy

- Yes
- No
